Re: LETTER OF RESIGNATION

Dear Citizens of Weslaco & Weslaco City Officials,

I regret to inform you that I am resigning as District 4 City Commissioner due to personal reasons.

For now, please accept this as a formal notice of my resignation, for my position as District 4 City Commissioner of the city of Weslaco. This resignation will be effective immediately tomorrow making April 12, 2019, my last day as District 4 City Commissioner.

Although, I am not proud of my actions, I am not ashamed of the progress and accomplishments that you (the citizens of Weslaco) and I as your city commissioner have brought to the City of Weslaco in the past nine and a half years. Do not let my actions affect the growth of this great City of Weslaco and keep demanding more from your city commissioners. Do not forget that you are the voice of Weslaco and as such deserve to have a great living in this growing city we all call home.

I want to apologize to all the citizens of Weslaco and thank the voters of District 4 for the opportunity that they gave me to serve as your Commissioner it has been a privilege and a pleasure. If it wasn't for their belief and support, we would have never accomplished the goals that we had set out to do. For that I am forever grateful.

Although, I am saddened to leave the Commission and all of you. I wish the entire citizens of Weslaco and the Commission much success and best of luck in leading this great city of Weslaco into the 21st century. God Bless Weslaco, God Bless Texas, and God bless the USA.

Sincerely and Respectfully yours.
